TDA-DHMO Provider List

This Directory lists the many quality dentists that are contracted with Total Dental Administrators (TDA) to provide dental care services for Total Dental Administrators Plan Members. You can use this convenient directory to choose a dentist and to get an idea of the scope of Total Dental's extensive member dentist network.

Choosing Your Dentist: When you join Total Dental Administrators, your first step will be to choose a Total Dental Administrators Dentist (TDAD). Your TDAD personal dentist will provide or coordinate all of your dental care. If you don't know which dentist to choose as your TDAD, start by looking through the dental offices listed in this booklet, find one that has a location convenient for you. If you need additional information or help selecting a TDAD, our member services representatives are always happy to help. The phone numbers are 801-268-9740 or toll free 1-800-880-3536.

Decide which dental office you prefer, then write the corresponding code (appears left of the dental office) in the appropriate box on your enrollment form. Any time you need dental care, (except out-of-area emergency care) be sure to call your TDAD first. Each dental office is independently owned and operated.

Please remember dentist and dental office status may change occasionally, please call to verify dentists participation. If you have any questions or would like information regarding a dentist's background, education, and experience, please call TDA Member Services. The most current dental roster is online at [11/16/2011](#)
